

Putting your business first

Complete shipping services to keep your business moving

Delivering your strategy.

A world of shipping services that revolves around you

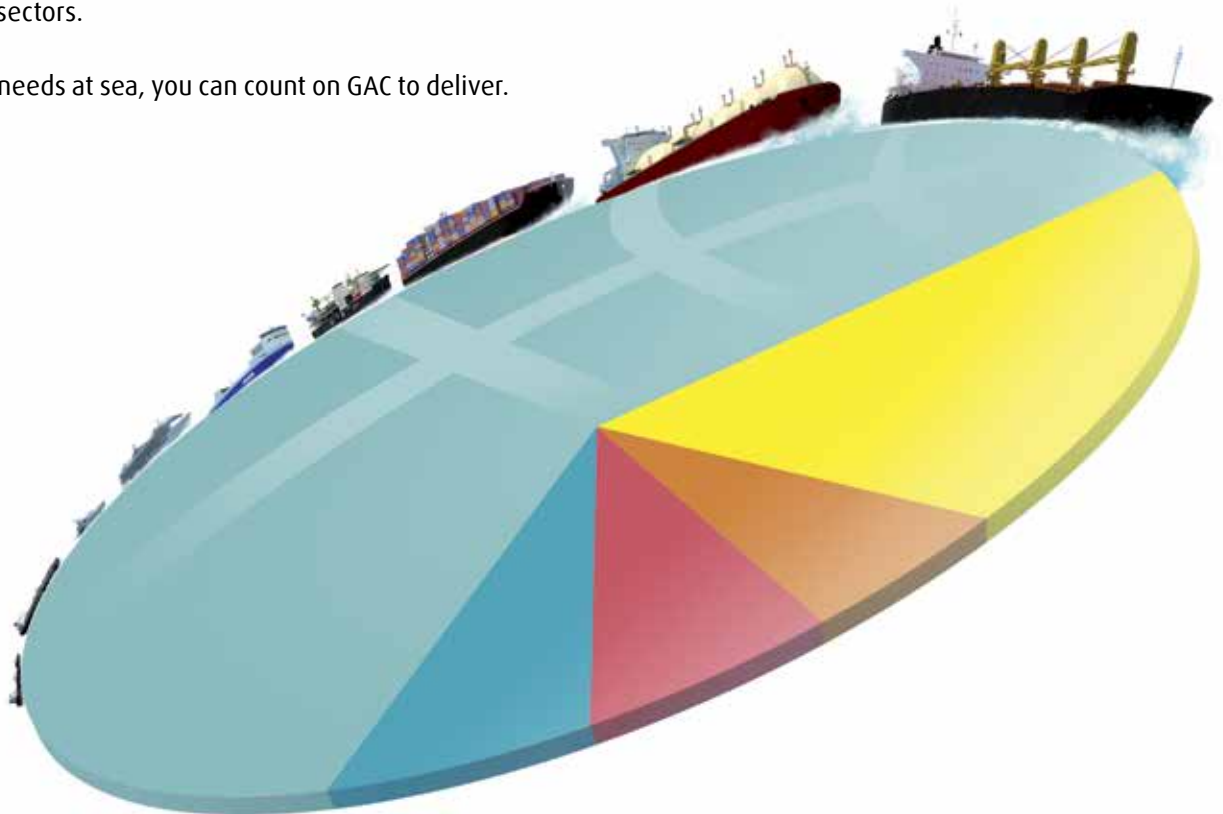

An oil tanker leaves West Africa. A bulk carrier sails for China. A container ship arrives in Kuwait... 90% of world trade moves on water; 100% of our business moves around you. That's why at the start and end of these voyages you'll find GAC Shipping alongside.

As a pioneer since the '50s, GAC Shipping provides a vast array of hub and ship agency services from port-to-port and all the waters in between. Representing more than 3,500 Principals and handling as many as 75,000 jobs annually, our global network of offices and agents are there to help vessel owners and operators with whatever they need and wherever they are – any time of day or night.

Our operational expertise covers traditional areas such as ship agency, bunker fuels and ship supply to innovative services such as weather routing and hull cleaning solution. Our aim: to help make your every voyage safe and smooth.

GAC Shipping also represents the ethical choice: we're committed to quality, safety, compliance, honesty and transparency in everything we do. Our formalised approach and strict principles set the standard in many sectors.

So whatever your needs at sea, you can count on GAC to deliver.

Mix and match services to suit your needs

Canal & Straits Transits

Transit easily through the world's busiest waterways with services spanning transit attendance and long-haul rebate handling to disbursement control and communications assistance.

Ship Agency

Access one of the world's largest ship agencies with a long standing reputation for quality service, representing more than 3,500 Principals and handling as many as 75,000 jobs annually.

Husbandry Services

Everything your vessel needs in ports, from cash to master, ship spares to crew changes.

Ship Supply

Fast, safe and efficient crew changes and delivery of supplies along major trade lanes 24/7, operating from strategic bases using modern high-speed launches and STCW95-licensed crew.

Weather Solutions

Tap into world-class, real-time weather performance solutions for safe and economical navigation at sea. In partnership with the Swedish Meteorological & Hydrological Institute.

Bunker Fuels

Benefit from our strong market relationships, trusted suppliers, reliable information and global reach, providing your bunkers' focal point for nominations and deliveries globally.

Hub Agency

Harness our group's network, experience and expertise to control and reduce port call related expenses through using GAC to represent you on a global or regional basis.

Protection & Indemnity

Appoint GAC as your trusted P&I correspondent for incidents & claims handling plus medical assistance. Representing International Group P&I Clubs since 1973, we are a recognised leader in the field providing comprehensive 24/7 services.

Protecting Agency

A scalable service helping you to supervise charterers' agency function and monitor operations, from a simple independent report to full involvement in expediting a port call.

Hull Cleaning Solution

Save time and money with HullWiper Remotely Operated Vehicle (ROV) for sparkling clean hull. Faster than brush cleaning, it ensures a high finish with strict compliance to environmental regulations.

Maritime Training Solutions

Strengthen your crew and shore-based personnel's knowledge and skills with cost-saving training at our state-of-the-art facilities. In partnership with the National Maritime College of Ireland.

DELIVERING YOUR STRATEGY AT SEA
