

GAC Nigeria Shipping & Logistics Services

Integrated expertise for all your transportation needs

Whether you need shipping, logistics or offshore marine services, let us take care of the details while you take care of business.

Delivering your strategy.

Over more than three decades in Nigeria, GAC has built extensive local know-how and excellent relations with the authorities and key shipping, logistics, marine and transport players in the private sector.

Established in 1978, GAC Nigeria combines its in-depth local knowledge with the reach and resources of the GAC Group global network to maximise your time and cost efficiency.

We provide a complete range of services including ship agency, air and sea freight, marine logistics, transfers and manning from our strategically located offices.

Our head office in Lagos serves as the communications hub, co-ordinating the activities of our offices in Bonny Island, Eket, Escravos, Forcados and Port Harcourt.

Keep your business moving

Every year, GAC Nigeria handles more than 900 vessels calling at the country's ports. In addition to traditional ship agency, we also offer specialised services such as husbandry support for offshore operations and project cargo handling.

Delivery on time, on budget

Our local expertise and global resources ensure world-class cargo

handling, customs and agency services when moving your cargo to and from all Nigerian ports.

Time critical spares

By working with the GAC Group's global network, GAC Nigeria provides door-to-deck delivery of ship spares and marine parts to meet the needs ship owners and related companies for time and cost efficiency.

Trained and professional manpower

At GAC Nigeria, we know how vital a well-trained crew is for the success of your operation. We meet the needs of the marine industry, particularly from the oil & gas sector, for qualified local crew.

Experience our energy

We make it our business to understand your core needs for offshore oil and gas projects to deliver integrated shipping, logistics and manning services. GAC Nigeria has the specialised know-how and technical skill to meet the stringent safety and quality standards of the energy sector.

COMMITTED TO QUALITY AND COMPLIANCE

Professionalism and safety

In line with the GAC Group's business philosophy, we are committed to providing professional services which comply with Health, Safety, Security and Environment (HSSE) practices.

All our offices are ISO 9001:2008 certified.

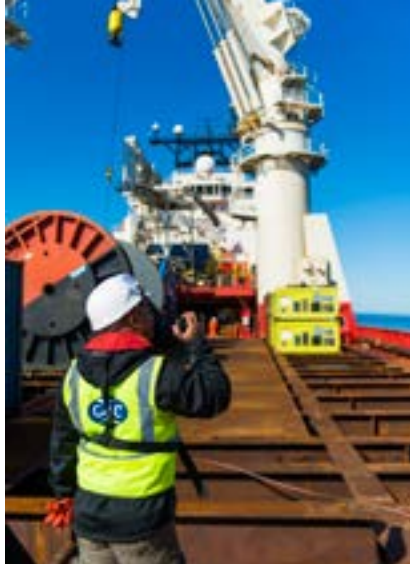

Compliance and ethics

Strict ethical business practices – including the GAC Group's Code of Ethics and Anti-Corruption & Bribery, Whistleblowing, Sanctions and Quality policies – are applied to everything we do.
