GAC Brazil

Logistics Services

Global reach, local expertise

Established since 2006, GAC Logistics (Brazil) is part of the GAC Group, global shipping, logistics, marine and related services provider with over 300 offices worldwide.

The combination of our in-depth local knowledge with the worldwide infrastructure and resources of the Group enables us to offer a full range of logistics solutions at competitive prices. Our cost efficiency is also ensured through centralised freight purchasing and strong relations with major air and sea carriers.

With offices in São Paulo and Rio de Janeiro, we connect South America - based exporters to global markets and provide foreign imports direct access to the expanding commodity markets in Latin America.

Our team of experts provide tailor made solutions for each customer. We provide an efficient process to the customs clearance and forwarding, making the entire transport process stress free.

Diverse portfolio

GAC Logistics serves a broad range of international manufacturers, distributors and retailers in the consumer goods, marine, pharmaceuticals, automobiles, electronics, petrochemical and oil and gas sectors.

24/7 customer support

With a dedicated team assigned to each account, customers are always assured of prompt assistance for all their needs. Whether it's a request for delivery updates, cargo movement, or emergency support, GAC is available round-the-clock, providing door to door service.

Specialised ship spares logistics

Leveraging on the GAC Group's combined expertise in ship agency, logistics services and offshore support, we offer seamless door-to-vessel delivery of ship spares and marine parts. Our solutions are tailored to customers' unique requirements, offering flexibility in a wide range of delivery options.

Project cargo, maintaining quality and service

GAC's Project Division is committed to providing a quality global transportation solution. Supported by a wealth of experienced industry experts around the world, our services and operations are accustomed to local regulation and practices, all of whom are focused on minimizing cost, optimising resources and meeting deadlines.

International forwarding, flexibility

Offering air and ocean freight services as a global international forwarding company, our personalised service enables us to help customers within a tight deadline. We can transport to the most difficult and distant destinations. Our ocean freight trade lanes link Asia, Europe, Middle East, and United States.
