# GAC Angola

## Global reach, local expertise

GAC Angola has been established since 1998 and is the leading crude tanker agency in Angola. Today GAC Angola is responding to customer needs by expanding into general cargo ship agency services, owners protecting agency services and logistics solutions for all transportation requirements.

### Global reach

With over 300 offices worldwide and 9000 people, GAC Group has four strategically located offices in Angola – Cabinda, Soyo, Luanda and Lobito – providing complete coverage across all terminals and ports in the country.

GAC also has offices at Soyo Kwanda Oil Base and Cabinda Gulf Oil Company where we attend to tankers calling at Girassol, Palanca, Kizomba, Xikomba, Kuito, Sanha, Gimboa, Greater Plutonio, Dalia and Malongo.

### Local expertise

Given our extensive local knowledge combined with the GAC Group's strong understanding of Principals' requirements, we can keep owners, operators and charterers informed on their vessel or cargo status or of any changes throughout the port call.

### Logistics services

Supporting key industry sectors including Angola's offshore oil and gas industry requires an efficient supply chain. Whether it's shore-based logistics and freight forwarding or offshore supply assistance, GAC Angola provides the skills and tools to ensure safe and smooth operations.

### Time and cost efficiency

Besides possessing local know-how, we have established close working relationships with local suppliers, relevant local authorities and contacts within the local shipping industry. This enables GAC Angola to provide prompt turnaround for vessels in any situation.

### Advantages

- 24/7 operations
- Professional and experienced team
- ISO and quality management system compliant
- Reduced lead time in clearance of final disbursement
- Customised daily Principal reports
- Source of reliable market intelligence
