Services Include

wherever you go

GAC serves all the places you'd expect and some you wouldn't

GAC Bunker Fuels - USA delivers peace of mind as well as high quality marine fuels & lubricants from the energy hub of Houston, as well as other key USA ports like Los Angeles, New York, New Orleans and Miami. Beyond USA borders, GAC Bunker Fuels reaches wherever you go, offering its services to major bunkering locations like Singapore, Fujairah, and Rotterdam.

Major savings

We have the experience, stability and financial security that comes from more than half a century of dedicated services to shipping. The industry expertise and local know-how of our devoted team of professionals helps secure major savings, optimize resources and meet deadlines, to help get the best deal for you.

GAC Bunker Fuels builds a personal relationship with every customer, to gain an in-depth understanding of their individual demands and provide dedicated support to help them achieve optimal results.

Our goal is to provide the highest quality of service, reliability, flexibility, and stability.

Trusted Suppliers

GAC's watchful presence guarantees the quality of the fuels you take onboard. We take pride in the products that we supply, so we only work with the most trusted, reliable suppliers who meet all internationally approved standards. Through our network, each supplier provides the most up to date product specification reports prior to all contract nominations and supplies.

We are at the forefront of offering cleaner products to ensure sustainability, in accordance with ever-changing legislation to protect the environment.

Fuels GAC provides

- IFO 380
- IFO 180
- MDO
- MGO
- Lubes

Start to finish

Our staff and partners maintain vigilance throughout the entire bunkering process, from supplier to vessel, to ensure efficient delivery and prompt collation of documentation. Communication is key – and that is what you get from start to finish, with constant updates from GAC Bunker Fuels.

Credit line applications made easy

Through the links fostered by the GAC Group, we have developed strong, long-term global relationships and credit lines with major oil companies and independent bunker suppliers, providing credit lines at each port in the region.

New customers without a credit line will receive a thorough credit analysis, using our extensive database which provides a quick response prior to all nominations.

Your window to the bunker world

GAC Bunker Fuels' global expertise allows us to provide the following:

- Bunker services at the Port of Houston and major US ports, Caribbean, Central and South America
- Global reach to Fujairah, Rotterdam, China, Singapore
- Global credit lines
- Reliable suppliers

Around the world

We provide quality service with local coverage across all markets and time zones, channeling all communications through a single contact.

Specialists in shipping, logistics, marine and related services

GAC is a global provider of shipping, logistics and marine services. These services are constantly being refined and integrated to serve our customers' increasing need for competitive solutions. Emphasising trust, reliability and a strong human touch, GAC has been building its reputation in its chosen markets since 1956.

Headquartered in Dubai, GAC employs over 9,000 people in more than 300 offices worldwide.

GAC Bunker Fuels marshals the Group's resources on your behalf, trading in real time across markets and time zones, year round on a 24/7 basis. Our online IT system, GACOIL, links our operations worldwide, enabling us to keep an eye on bunker trends and to act decisively in our customers' interest.

Through offices in Houston, London, Sharjah, Singapore, Cairo and Sri Lanka, GAC provides global assurance of quality fuels and lubricants at competitive prices.

What makes GAC Bunker Fuels special?

- Global reach - represented in more than 1,000 locations
