# GAC Brazil

## Energy & Marine Services

Whether it's shore-based logistics services or time-critical deliveries to exploration and production locations, GAC Brazil has the expertise and tools to ensure structured yet flexible, safe, smooth and cost-effective solutions that meet every client's needs.

### Global network, local expertise

GAC Brazil is part of the GAC Group, a global provider of shipping, logistics and marine services. These services are constantly being refined and integrated to serve our customers' increasing need for competitive solutions. Emphasising trust, reliability and a strong human touch, GAC has been building its reputation in its chosen markets since 1956.

Headquartered in Dubai, GAC employs over 9,000 people in more than 300 offices worldwide.

### Specialised services for the oil and gas industry

From its coordinating office in Rio de Janeiro, GAC Brazil provides nationwide energy and marine services. Leveraging GAC's 50 years of experience in air and ocean freight and project cargo transportation, GAC Brazil can also assist with procurement operations, government and customs coordination, visa applications and equipment rental.

Outsize cargo is a speciality – when handling equipment, escort, or other special services are required, GAC Brazil can provide the solution.

### Highly experienced local and global teams

A strong team of professionals with extensive experience, the staff of GAC Brazil are on hand to help 24/7 and pride themselves on their 'can do' attitude. Globally, GAC Brazil is supported by industry experts with a wealth of experience in local regulations and practices – all focused on minimising cost, optimising resources and beating deadlines.

### Quality assurance and HSSE

Supported by GAC's business-driven IT applications, every aspect of GAC Brazil's operations is focused on quality and customer care. GAC is committed to its effective and comprehensive Health, Safety, Security & Environment (HSSE) policy and Code of Ethics which ensure the wellbeing of customers, staff, suppliers, business partners and cargoes.
