# GAC Abu Dhabi Logistics Services

## Global network, local expertise

National Shipping Gulf Agency Company (Abu Dhabi) Ltd L.L.C (NSGAC) was established in 1967 by an Emiri decree. Combining our in-depth local expertise with the worldwide infrastructure and resources of the GAC Group, we provide a one-stop shop for all supply chain and logistics needs.

## Comprehensive coverage

With our main office conveniently located in Port Zayed Free Port area next to Port Zayed (locally known as Mina Zayed) and branches in Ruwais / Jebel Dhanna, Abu Dhabi International Airport Cargo Terminal and Sila Border, we provide complete coverage across Abu Dhabi.

## Strong team of dedicated professionals

Staffed by our team of more than 200 professionals, NSGAC continues to grow. Every member is highly experienced in their area of expertise.

With a dedicated team assigned to each account, customers are always assured of prompt assistance for all their needs. Whether it's request for delivery updates, cargo movement, or emergency support, GAC is available round-the-clock.

## Track record in serving diverse sectors

GAC Logistics serves international manufacturers, distributors and retailers in the consumer goods, textiles, pharmaceuticals, automotive, electronics and oil & gas sectors etc.

## Cargo insurance

GAC in association with AXA Gulf, have developed 'GACSure' to take care of all your cargo insurance needs. Please ask your NSGAC contact for details on how to insure your cargo.

## Highly competitive rates

Cost efficiency is ensured through centralised freight purchasing and strong relations with major air and sea carriers. As such, our customers benefit from favourable rates as well as priority access to capacity even during peak times.

## Modern IT capabilities

Our advanced IT systems play a key role in providing customers with the visibility of their cargo at every step of the supply chain. In addition to monitoring cargo movement, our systems are able to generate management reports on statistics, inventory flow and key performance indicators. Customers also enjoy the convenience of EDI transfers such as pre-alerts, manifest etc.

## Compliance to international security standards

We exercise due vigilance and diligence to comply with measures to ensure the highest security standards. Besides being part of a C-TPAT network, we are also compliant with the US Customs AMS regulation.
