## Logistics Services

### Global network, local expertise

As part of the GAC Group with over 300 offices in 40 countries employing more than 9000 people, GAC Shipping and Logistics combines the strength of the GAC global network with local expertise. In Russia we offer a full range of freight forwarding and warehousing services to international manufacturers, distributors and retailers from the Fast Moving Consumer Goods (FMCG), textiles, pharmaceutical, automotive, electronics and oil & gas industries worldwide.

### Comprehensive coverage

With our head office in Moscow and branch offices in Novorossiysk, St Petersburg and Taman, GAC has acquired in-depth knowledge of the local market's operating procedures and offers logistics support in all areas of Russia and the Commonwealth of Independent States.

### Advantages

- Global network of own offices and partner agents covering 1000 locations worldwide
- Cost efficiency due to centralised freight purchasing
- 24/7 year round operations
- Professional and experienced English-speaking team
- Certified to ISO 9001:2000 standards
