GAC Mozambique

Local knowledge, global reach

Global reach

As part of the GAC Group with over 300 offices in 40 countries worldwide, GAC Mozambique puts the resources and infrastructure of the entire network at your disposal. From ship and liner agency to a comprehensive range of logistics and transportation services, GAC Mozambique offers solutions both onshore and offshore.

Our project cargo experts are on hand to meet the needs of offshore oil and gas drilling operations and the country's refinery programme. GAC is here to assist with Mozambique's infrastructure development and help establish and develop her ports.

Local coverage

With our head office in Maputo and branch offices being developed in other key ports, GAC can offer support throughout the country. Our staff are highly mobile and our commitment is to put people on the ground where and when it matters.

Oil and gas expertise

Supporting Mozambique's growing oil and gas, mining and energy supply industries requires an efficient supply chain. Whether it's shore-based logistics or offshore supply assistance, GAC Mozambique offers the skills and tools to ensure safe and smooth operations.

Professional team

Building upon our operational experience on the ground and strong contacts within the maritime and logistics industries, GAC Mozambique ensures customer-focused, value for money solutions. Our business is about people and ours are the best and most professional available, with more than fifty years' combined experience in African shipping and logistics.

Commitment to quality and safety

In line with the Group's business philosophy, GAC Mozambique is committed to providing cost efficient and professional services which comply with Health, Safety, Security and Environment (HSSE) practices.

This, coupled with GAC's reliability, ethics, efficiency and integrity, makes GAC the perfect partner in Mozambique.
