GAC Qatar

GAC Qatar has been engaged in shipping and logistics services since its establishment in 1979. Today, it is the leading shipping agency in Qatar.

Comprehensive coverage

GAC Qatar provides a comprehensive range of services. These include ship agency attendance to all types of vessels ranging from tankers to dry cargo and cruise vessels etc, as well as combined offshore logistics and ship agency support for drilling rigs, supply / work boats and barges.

We also coordinate berthing, embarkation / disembarkation arrangements, and provide assistance in any unforeseen matters that may arise.

In-depth local knowledge, excellent industry contacts

Over the years, GAC Qatar has developed extensive local expertise as well as excellent relations with local authorities and private sectors of the shipping, logistics and transport industries.

Strong team of professionals

Backed by a strong team of professionals, all operations are manned by dedicated personnel round-the-clock throughout the year. Customers are assured of prompt and efficient response to all their requests.

Every member is highly experienced in their area of expertise. They speak the local language – be it of commerce, culture or customs – which enable GAC Qatar to combine international experience with local expertise to deliver top class service.

Strong team of dedicated professionals

To ensure reliability of operations, GAC Qatar has fully adopted computerised operational job management systems as well as the latest communications software and cargo handling / warehousing programmes.

Source of up-to-date information

GAC Qatar provides current and precise information to meet the needs of all tanker, dry cargo and cruise vessels in their planning and fixture stages.

These include port conditions, port costs, navigation rules, anti-pollution and security regulations. Besides reporting vessel line-up and berthing prospects to our Principals, we also provide weekly port situation reports upon request.

Commitment to quality service

GAC Qatar is ISO 9001, ISO 14001 and OHSAS 18001 certified. We apply high international standards to local services, with all staff committed to continuous quality improvement.

GAC Qatar provides specialised shipping, logistics and marine services to meet customers' needs.

Shipping Services

Ship agency

GAC Qatar is a leading ship agent and acts for a wide range of Principals, representing them in traditional port and husbandry services. We also provide liner agency services as well as specialised services for support to offshore drilling rigs.
