GAC Algeria

Shipping Services

From the transportation of oil and gas to cars and dry bulk, GAC offers a full range of ship agency and ancillary services to meet any vessel needs across all main ports in Algeria. As part of the GAC Group with over 300 offices in 40 countries worldwide and serving over 40,000 vessels each year, GAC Algeria puts the resources and infrastructure of the entire network at your disposal.

Comprehensive Coverage

With its head office in Algiers, GAC caters to all vessels calling at these ports: Annaba, Skikda, Jijel, Bejaia, Algier, Mostaganem, Arzew/ Betioua and Oran.

Oil & Gas Expertise

Sustaining Algeria's position as the fourth largest exporter of oil and gas requires an efficient supply chain. Whether it's shore-based logistics or time-sensitive deliveries to exploration and production locations, GAC Algeria offers the skills and tools to ensure a safe and smooth operation.

Diverse Portfolio

In addition to oil & gas export, GAC Algeria also handles a vast array of activities such as the import of pipes in bulk vessel, car carrier import, bulk import and export, export of fertiliser and cement as well as liner business.

Professional Team

Building upon our operational experience on the ground and strong contacts within the Algerian maritime industry, GAC ensures fast and efficient turnaround for vessels in any situation. With staff on standby round-the-clock, you can always be assured of prompt and comprehensive responses to all your requests.

Advanced IT support

To provide reliable communication and effective reporting for its Principals, GAC continuously builds and updates its IT infrastructure. GAC's innovative IT systems keep owners, operators and charterers informed of the status of their vessel or cargo throughout the port call.

Commitment to Quality

In line with the Group's business philosophy, GAC Algeria is committed to providing cost efficient and professional services which comply with Health, Safety, Security and Environment (HSSE) practices.
