GAC Brazil

Shipping Services

Global network, local expertise

GAC Brazil is part of the GAC Group, a global provider of shipping, logistics and marine services. These services are constantly being refined and integrated to serve our customers' increasing need for competitive solutions. Emphasising trust, reliability and a strong human touch, GAC has been building its reputation in its chosen markets since 1956.

Headquartered in Dubai, GAC employs over 9,000 people in more than 300 offices worldwide.

Comprehensive coverage, extensive services

From its coordinating office in Rio de Janeiro, GAC provides nationwide shipping services to all types of vessels from tankers and bulk carriers to naval vessels and specialised offshore support units. In addition to full port agency services and freight forwarding, GAC Brazil can also assist with husbandry services, crew change (alongside or offshore), medical assistance and provisions.

Drawing on GAC's marine experience, GAC Brazil can also meet the needs of the energy sector such as mobilisation, demobilisation, offshore support and crew transfers.

Professional and experienced team

Staffed by a strong team of professionals with extensive experience, GAC Brazil meets the needs of a diverse range of sectors including dry bulk, general cargo, tankers and ro-ro. A designated ships spares logistics department provides nationwide coverage.

GAC Brazil has built excellent relationships throughout the local shipping community. These relationships with terminal operators, port authorities, associations, and suppliers ensures all types of port calls are handled with optimum efficiency and speed.

IT strengths and capabilities

The widespread use of GAC's business-driven IT applications provides our principals with the latest global port news together with a host of time-sensitive voyage and operations information.

Quality assurance

Every aspect of GAC Brazil's operations is focused on quality and customer care. GAC is committed to its effective and comprehensive Health, Safety, Security & Environment (HSSE) policy and Code of Ethics which ensure the wellbeing of customers, staff, suppliers, business partners and cargoes.
