Shipping Services

Global network, local expertise

Established since 1985, GAC Jordan is part of the GAC Group – a leading global independent provider of shipping, logistics, marine and related services. GAC's 9,000 people are found in over 300 offices worldwide.

Comprehensive shipping services

GAC Jordan combines in-depth local expertise with the global resources of the Group to deliver an extensive range of services to shipowners, operators and charterers.

Renowned for its superior service and efficiency

With an excellent operations office at Aqaba, GAC Jordan has vast experience in handling all types of ships and cargoes, ensuring quick turnarounds, based on well planned discharging / loading operations.

24/7 support

With a dedicated round-the-clock team assigned to each ship, Principals are assured of prompt attention to their needs and to those of the vessel and crew.

Commitment to quality

GAC Jordan is proud of its ongoing commitment to deliver the highest quality standards to its Principals. Being ISO 9001 certified, we believe in the importance of feedback from our customers as our route to continuous improvement.

Compliance with international security standards

As an agent, GAC Jordan fully complies with ISPS and other local regulations, and ensures that owners, operators and charterers are well informed about the security conditions and available security services prevailing in Aqaba at any given time.

Modern IT capabilities

Through the implementation of modern email systems and GAC's own ship agency operations software, GACAgent. GAC Jordan ensures that the changing needs of in-port vessels can be accommodated whilst also providing effective reporting for our Principals.
