Repair, conversion and drydocking services

GAC Poland and Nauta – working together

Established since 1990, GAC Poland is part of the GAC Group, a global shipping, logistics and marine services provider with an integrated network of more than 300 offices and 9000 people worldwide. GAC Poland combines in-depth local expertise with the global resources of the GAC Group to deliver an extensive range of services to owners, operators and charterers.

GAC strives to better serve client needs by working with strategic global partners and GAC Poland's new alliance with Nauta, a leading ship repair yard in Gdynia, brings complex repairs, extensive modifications, modernisations and refurbishments to its product portfolio.

Well-equipped and highly versatile

Nauta operates four floating docks and one graving dock and quays are fully equipped with all necessary infrastructure. The company has recently significantly increased its potential by gaining exclusive access to a 380 x 70m dry dock.

Floating Dock No. 1
