GAC in Russia Shipping Services

Global network, local expertise

As part of the GAC Group with over 300 offices in 40 countries employing more than 9000 people, GAC Shipping and Logistics combines the strength of the GAC global network with local expertise, and offers a complete portfolio of shipping and logistics services.

Comprehensive coverage

Since 2001, we have been attending to vessels calling at the ports of Novorossiysk (Sheskhari's oil terminal, IPP gas oil terminal, CPC-R oil terminals, dry cargo berths), Taman, Tuapse, Sochi, Primorsk, St Petersburg and other ports and terminals throughout Russia and the Commonwealth of Independent States via a network of our own offices and partner agents.

In 2008, GAC attended to 270 vessels in Russia for blue-chip companies of which 95% were oil tankers.

Advantages

- Global network of own offices and partner agents covering 1000 locations worldwide
- Professional and experienced team
- Customised daily operations reports/port line-ups/weather reports, reliable market intelligence, Hot Port News
- Certified to ISO 9001:2000 standards; fully conversant with ISPS regulations
- Strict compliance with HSSE procedures and regulations
