GAC Yemen

Global network, local expertise

Established since 1998, GAC Yemen is part of the GAC Group, a leading independent global provider of shipping, logistics, marine and related services with over 300 offices worldwide.

Comprehensive coverage

Operating from three strategically located offices – Aden, Hodeidah and Sana'a, GAC Yemen provides complete coverage across all terminals and ports in the country. Our main office in Aden acts as communication centre and coordinates the activities of the other offices.

Excellent industry contacts

Over the years, GAC Yemen has built up extensive local expertise as well as close relations with local authorities and private sectors of the shipping, logistics and transport industries.

Strong team of dedicated professionals

Backed by a strong team of professionals, all offices are manned by dedicated personnel who are on stand by round-the-clock. Customers are always assured of prompt and outstanding response to all their requests.

Each member is highly experienced in their area of expertise. They speak the local language – be it of commerce, culture or customs – and allow us to combined international experience with local expertise to deliver outstanding services.

Source of up-to-date information

We provide current and precise information to meet the needs of all tanker, dry cargo and cruise vessels in their planning and fixture stages. These include port conditions, port costs, navigation rules, anti-pollution and security regulations. Besides reporting vessel line-up and berthing prospects to our Principals, we also provide weekly port situation reports upon requests.

Commitment to deliver reliable services

To ensure reliability of operations, GAC Yemen has fully adopted computerised operational job management systems, as well as the latest communications software and cargo handling / warehousing programmes.

Commitment to quality service

We apply high international standards to local services, with all staff committed to continuous quality improvement.

Shipping Services

Ship agency

GAC Yemen is a leading ship agent and acts for a wide range of Principals, representing them in traditional ship agency, from port clearances and crew changes, to more specialised offerings such as launch and helicopter services at anchorage and offshore.

P&I services

We represent, as correspondents, internationally renowned P&I clubs, and provide them with professional back-up services when their ships require immediate attention.

Bunker supplies

GAC Yemen works closely with GAC Bunker Fuels to supply reliable and cost-effective bunkers, both in port and offshore. MGO and IFO 180 & 380 CST are available locally. We use only carefully chosen suppliers who meet internationally approved standards and purchase to ISO specifications.

Supply and purchase

As a well-established local company, GAC Yemen can quote the best possible prices and availability for provisions, stores, fresh water and consumables.

Logistics Services

Supply chain management

In recognising customers' needs for more effective global supply chain solutions, our team of analysts and operation specialists can help you manage your entire supply chain, from raw materials to retail distribution.

Air freight and ocean freight

We offer freight services to destinations worldwide. Our substantial volumes and buying power, combined with strong relationships with the world's premier carriers, enable customers to benefit from favourable rates, and gain priority access to capacity even during peak times.

Warehousing and distribution

GAC is a specialist in warehouse design, management and operation. We operate an integrated road and transport network for any door-to-door deliveries and have world-class facilities with fully fledged logistics and distribution capabilities across the Middle East, Asia and Indian Subcontinent.

Project cargo

GAC Yemen has vast experience and can co-ordinate any type of project cargo movement by air, land or sea. We have the skills and equipment to manage any sized project from a single domestic movement to a full turnkey operation.

Marine logistics

GAC Marine Logistics (GML) provides highly specialised door-to-deck delivery service for ship spares and marine parts. With flexibility transport options and seamless time-definite delivery, GML meets the needs of ship owners, managers and spares suppliers for cost and time efficiency.

International moving

Whether it is moving offices or homes, GAC Yemen ensures that every move is pre-planned and handled with utmost care. Our comprehensive range of door-to-door delivery services includes detailed survey reports, expert packing / crating and efficient forwarding.

Marine Services

Transfer services

Gulf Transfer Services (GTS) is a subsidiary of GAC Marine that specialises in bulk, liquefied gas and dry bulk cargo transfers between all types of vessels. GTS offers provision of Mooring Masters for floating Storage Units (FSU) for alongside or tandem berthing and SBM berthing. Other services include condition surveys, vetting inspections, superintendency and related marine work.

Offshore support

GTS also offers both expatriate and local Mooring Masters for export off-loading units. Supply vessels, anchor handling tugs and other support vessels can be provided for the offshore industry.

Towage and barge operation

With the GAC tug and barge fleet ranging from 750 hp – 8000 hp and 1200 respectively, GAC Yemen provides transportation of various types of cargo, which often involve transport of equipment to remote areas with little infrastructure.

Project cargo transportation

GAC Yemen has barges and landing craft specifically designed to carry project cargo, and we work very closely with the heavy lift engineering companies, tailoring solutions to their needs.

Specialist in shipping, logistics, marine and related services

GAC is a global provider of shipping, logistics and marine services. These services are constantly being refined and integrated to serve our customers' increasing need for competitive solutions. Emphasising trust, reliability and a strong human touch, GAC has been building its reputation in its chosen markets since 1956.

Headquartered in Dubai, GAC employs over 9,000 people in more than 300 offices worldwide.
