

GAC North America Logistics Services

Complete suite of services for your logistics needs

From bonded warehousing and customs clearance, to time-sensitive deliveries of spares, we have what it takes to meet all your logistics needs.

Delivering your strategy.

Whatever your market, you need reliable end-to-end delivery and warehousing support.

GAC North America Logistics meets that need with a range of specialised services to help deliver results for your business.

From our HQ in Houston and network of dedicated offices throughout the USA, GAC North America Logistics serves a broad range of local and international manufacturers, distributors and retailers in the consumer goods, textiles, automotive, events, project logistics, ship spares and oil & gas sectors. Our nationwide team of professionals has the expertise, experience and resources to deliver freight forwarding and specialized logistics solutions for you at local, national, regional or international levels.

Convenience and dependability

Our state-of-the-art facilities include a fully secure 181,000+ square foot cross-dock warehousing space and four acres of open air paved storage within the Houston Foreign Trade Zone (FTZ).

GAC provides a one-stop-shop for a unique range of integrated services including national customs brokerage,

shipping, logistics, marine and related solutions.

Do you require tracking of your freight origin to destination? Tracking shipments is not a problem. Our state-of-the-art Information Technology System C2C allows us and our clients to track each item shipped or stored under our care.

Full service

Our expertise in managing the complex logistics requirements of turnkey projects enables us to serve major energy and production operators around the world.

Looking for multiple solutions for your oversized cargo? Does your breakbulk cargo require temporary storage, packaging through to time sensitive transport to the airport? Think GAC. We are your primary source for all your logistics needs, delivering optimal results with an eye on the bottom line.

FLEXIBLE AND EFFECTIVE

GAC North America can accommodate shipments of any size, shape or weight that does not fit standard transport modes as well as critical spare parts, shipments which need special handling equipment or an escort.

HIGHEST STANDARDS OF PERFORMANCE AND CONDUCT

Maintaining quality and safety

GAC's services and operations are supported by a wealth of experienced industry experts, accustomed to local regulations and practices, focused on minimizing costs, optimizing resources and meeting deadlines.

GAC has a zero-tolerance Compliance and Ethics policy and a strong Health, Safety, Security & Environment (HSSE) policy. The Group holds a firm belief that good management of HSSE is essential to the well-being of our customers, suppliers, sub-contractors and cargoes.

Proven tailor-made solutions for all of your logistics needs

About the GAC Group
