

Towing, Emergency Response & Other Offshore Services

Tug 'Yaanik' with unrestricted navigation is the newest addition to GAC Sri Lanka's launch fleet, bringing its total to 12. Equipped with a clear deck space of 7.15 x 5.0m, fresh water carrying capacity of 30MT and towing capacity of 14.4BP, it gives us the muscle to meet the need for a range of diversified marine services both along the Sri Lankan coast and in neighbouring countries.

Services

- Rescue and towing operations
- Emergency evacuation
- Bulk lube delivery
- Deck cargo & spares delivery
