Delivering your strategy.

Complete support for your supply chain and logistics needs

Non-stop support

From our main office in Montevideo, GAC Uruguay's team of experienced logistics professionals coordinate activities to provide quality service at all the country's ports and terminals.

Our strategic location enables us to deliver services throughout the Latin American market including places with no direct sea access.

Comprehensive services

With our dedicated team, you are assured of prompt assistance. From delivery updates, cargo movement to emergency support, we are available around-the-clock.

GAC Uruguay provides professional, expert solutions for your general cargo, project and ship spares operations. Our range of in-house services include air freight, sea freight (LCL and FCL), land transportation (FTL and LTL), project cargo (heavy lift and complex projects), on-forwarding and door-to-door delivery of ships spares.

The GAC advantage

- Committed to delivering high-quality service
- Experienced and skilled team
