# Delivering peace of mind for your every port call

## GAC Sri Lanka - Your cruise partner of choice

With more than two decades of operations in Sri Lanka and offices in Colombo, Galle, Hambantota and Trincomalee, GAC Sri Lanka has what it takes to meet the needs of the cruise majors when their vessels call at Sri Lankan ports.

## Complete cruise package

Our extensive expertise allows us to offer complete services ranging from port & immigration clearances, husbandry services, crew welfare, provisions supply through to liaison with local tour operators and domestic transport.

We provide advice and guidance to itinerary

planners to plot optimum locations and routes for local sightseeing, hotel accommodation, home-port or turnaround potential.

## Time and cost efficiency

Our established working relationships with the relevant authorities and contacts in the local cruise industry help smooth the way for efficient immigration clearance for passengers and crew.

In many cases, this has helped to ensure that immigration officers are on board vessels 24-48 hours ahead of arrival at their next port of call, facilitating advance immigration clearance and enabling passengers to disembark and enjoy their shore side experience without delay.

Our experience has equipped us with in-depth understanding of the unique complexities of cruise operations to offer customised services and support that translate to seamless port calls.
