SINGAPORE

SINGAPORE STRAIT

PULAU BATAM (INDONESIA)

A member of the Singapore Shipping Association (SSA), GAC Singapore is your partner in delivering your business strategy.

With more than 35 years of experience in Singapore, you can trust our team of dedicated and experienced professionals to meet your shipping needs.

About the GAC Group

GAC Group is a global provider of integrated shipping, logistics and marine services. Emphasising worldclass performance, a long-term approach, innovation, ethics and a strong human touch, GAC delivers a flexible and value-adding portfolio to help customers achieve their strategic goals. Established since 1956, the privately-owned group employs over 9,000 people in

more than 300 offices worldwide.

GAC Singapore

With operations spanning our main office in town, to strategically located branch offices at the airport and Bukom, we provide total service coverage across all anchorage and holding areas, ports, terminals and ship yards in Singapore.

We manage all types of port calls, including load and discharge, bunker and OPL, FSO/FPSO support, cruise, STS operations, LNG and dry docking support.

Our local staff is fully equipped to handle any husbandry and crew welfare matters - routine or emergency. Our air-conditioned warehouse facility, located on the same premises as our airport office,

has a dedicated section for receiving, storing and delivery of spares.

Prompt turnaround

Our close working relationships with local suppliers, authorities and contacts within the Singapore shipping community enable us to provide prompt turnaround for vessels at all times and in any conditions.

Commitment to Health, Safety, Security and the Environment (HSSE)

GAC Singapore adheres to a stringent Health, Safety, Security & Environment (HSSE) policy and firmly believes that good management of HSSE is essential for the wellbeing of our staff, customers, suppliers and environment. The quality of our attitudes, actions, written documents and equipment reflects our group-wide HSSE commitment.
