

GAC Singapore Ship-to-Ship Transfer and Lay-up Services

Cost-effective solutions to meet your needs

Safe and secure specialist services at the Nipa Transit Anchorage Area.

Delivering your strategy.

A member of the Singapore Shipping Association, GAC Singapore is your partner in delivering your business strategy.

Nipa Transit Anchorage Area (NTAA) is strategically located between Singapore and Batam, within close proximity to major shipping lanes. Sheltered and of an ideal depth, it is well suited for ship-to-ship (STS) transfer operations and lay-ups, as it is both safe and secure.
