

GAC South Africa Oil & Gas Services

High level skills and know-how to meet the energy sector's safety and quality standards

Oil and gas drive the world. And if it's your business, you need the best expert, professional support. GAC South Africa has what it takes to provide that support.

Whether you're an operator, a surveyor, a driller or an EPC company, we make it our business to deliver the core services you need.

Delivering your strategy.

With strategically located offices at all South African ports and terminals, GAC has the reach to deliver the operational expertise you need to keep your business moving.

Strategic Partnership

GAC South Africa understands the pressures faced in the energy sector. With us as your single point of contact, you can enjoy peace of mind knowing every port call is handled efficiently, on time and on budget.

Global Reach, Local Skills

Combining unsurpassed local know-how with the global reach and resources of the GAC Group, we offer a full range of shipping and logistics supply chain support.

Our strong, experienced team of professionals is ready, willing and able to deliver sustainable solutions from our head office in Cape Town and branches in Durban, Richards Bay, Saldanha Bay, Johannesburg, Pretoria and Port Elizabeth.

Quality and Safety Standards

We operate to the highest quality, safety and compliance standards. These best practices are laid out in GAC Group's Health, Safety, Security and Environment (HSSE) Policy.

GAC South Africa is in full adherence with the Group's strict GAC Code of Ethics as well as the Group Anti-Corruption and Bribery, Whistleblowing, Sanctions and Quality policies. This includes anti-corruption regulations such as US Foreign Corrupt Practices Act (FCPA) and the UK Bribery Act 2010.

Our shipping operations are ISO 9001:2015 certified and all our offices are TRACE accredited.
