

GAC Egypt Suez Canal Transit Services

Specialised assistance to guide your vessels
through the waterway

We have the contacts, expertise and resources to
ensure smooth passage for your vessels.

Delivering your strategy.

GAC Egypt is experienced in guiding vessels, towing units, floating units, semi-submersibles, project cargo barges and more through the Suez Canal.

Established in 1998, GAC Egypt offers a comprehensive portfolio of specialist services to meet your business needs, from agency services to specialist support including eco-friendly hull cleaning services, bunker fuels, freight services, ship spares. We also offer specialised assistance in transiting the Suez Canal.

Everything You Need

Vessel transits are booked with the authorities and all operational arrangements are made prior to the vessel's arrival. A GAC representative is assigned to assist your vessel upon arrival.

Traffic is monitored around-the-clock and regular updates provided on vessel transit status, as well as any other relevant information such as arrival instructions and convoy times.

We keep you informed of your vessel's position in the Canal from its arrival, transit and departure to following up on bunker fuel supplies.

Arriving crew and air consignments are promptly taken care of by our dedicated airport team.

Professionalism and Safety

We are committed to providing professional, cost-efficient services in full compliance with the GAC Group's Health, Safety, Security and Environment (HSSE) policy.

Our adherence to ethical business is in line with the GAC Code of Ethics as well as the Group Anti-Corruption and Bribery, Whistleblowing, Sanctions and Quality policies.

Proven Track Record

GAC Egypt represents the largest number of vessels using the Canal. We provide a raft of services to aid all kinds of vessels transiting the key waterway that links the Mediterranean and Red Seas.

Flexible services for your Suez Canal transit

Your Strategic Partner

From our head office in Cairo, we adopt a central management system for all transit operations and provide reports on operations and the situation within the Canal.

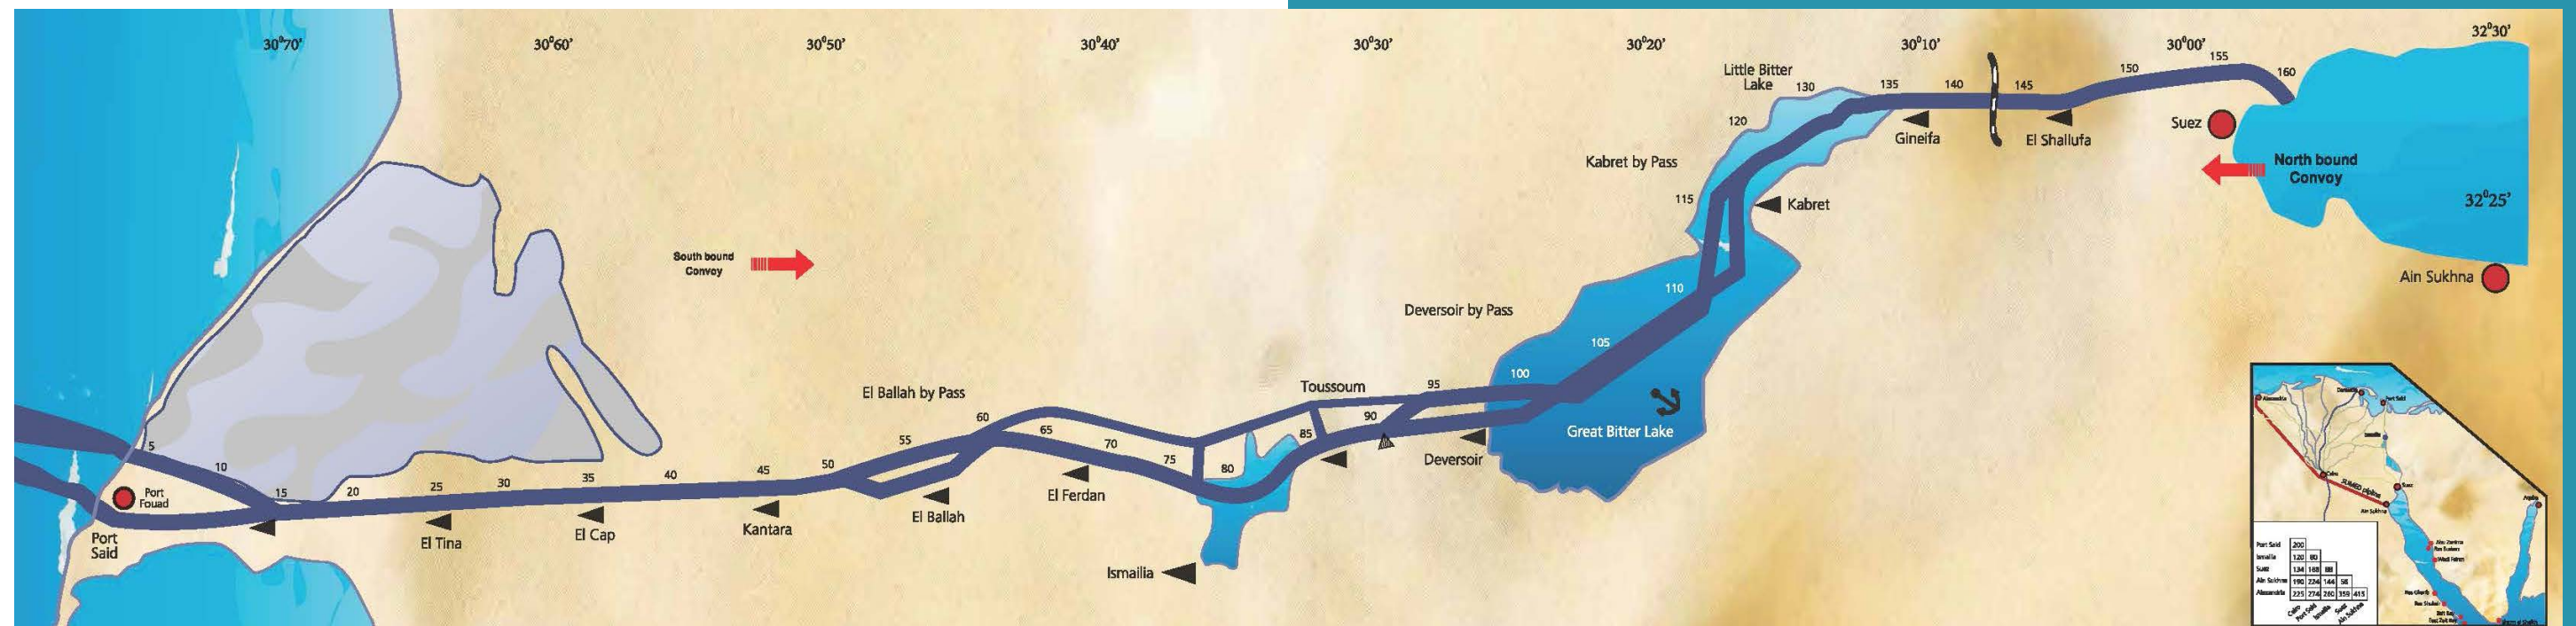

Our strong relationships with the authorities and ability to provide specialist support for port calls and transits means we deliver fast-track results for your business.

We work with the relevant authorities to help you navigate the complexities of advance information required, special cargo categories, tariffs and surcharges on a case-by-case basis, and negotiate the best rates for optimum time and cost-efficiency.

GAC Egypt delivers the operational expertise you need for quality support.
