

Delivering your strategy for success

Your dedicated partner in the world
of shipping, logistics and marine services

Delivering your strategy.

Everything you need to succeed

Since 1956, GAC has grown to become one of the largest integrated providers of shipping, logistics and marine-related services on the planet. Today, GAC employs over 9,000 professionals, operates 300 offices in more than 50 countries and works with trusted partners to cover over 1,000 locations worldwide.

Our complete suite of integrated services allows customers to enhance operational efficiency, control costs and increase revenue – driving towards long-term growth. It's an unmatched combination of operational expertise, global reach and strategic focus.

Although GAC innovates constantly and continues to expand, we also maintain traditional values. We invest in long-term relationships; we know that deeds are more powerful than words; and we recognise that trust must be earned.

Take a look inside to find out how we can partner with you to deliver your strategy: when, where and how you want it.

Vision

To provide leadership and innovation in global business and community life by delivering a flexible portfolio of services built on quality, safety, honesty, vigour and a commitment to long-term business relationships.

It's an unmatched combination of operational expertise, global reach and long-term focus.
