

GAC Angola Shipping & Logistics Services

Covering all Angolan ports and terminals

Flexible and wide-ranging shipping and logistics expertise to help you achieve your business goals.

Delivering your strategy.

GAC Angola delivers the efficiency you need in a competitive world. We put the muscle of our local knowledge, expertise and global resources at your disposal.

GAC's long experience in operating in challenging environments come to the fore in Angola. Established in 1998, GAC Angola offers a range of integrated ship agency and logistics services to support your business and keep it moving.

From our head office in Luanda, and strategically located branches in Cabinda and Soyo, we provide accurate and timely information of the entire operation.

Shipping services

GAC is Angola's leading ship agency delivering end-to-end services to optimise operational performance and efficiency.

Our local know-how and established relationships with local suppliers, relevant local authorities and contacts within the local shipping industry enable us to provide prompt turnaround for vessels in any situation.

Logistics services

An efficient supply chain is crucial in supporting key industry sectors including Angola's offshore oil and gas industry.

Our suite of logistics services also support the growing flow of cargo, project shipments, import and exports to and from Angola.

Whether it's shore-based logistics and freight forwarding or offshore supply assistance, we have the skills and tools to ensure safe and smooth operations.

Quality assured

Providing quality and cost-effective support is a key focus of our operations in Angola.

Our offices are ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 certified. We are also TRACE approved.

SAFETY, EFFICIENCY, PERFORMANCE

Professionalism and safety

In line with the GAC Group's business philosophy, we are committed to providing cost efficient and professional services which comply with Health, Safety, Security and Environment (HSSE) practices.

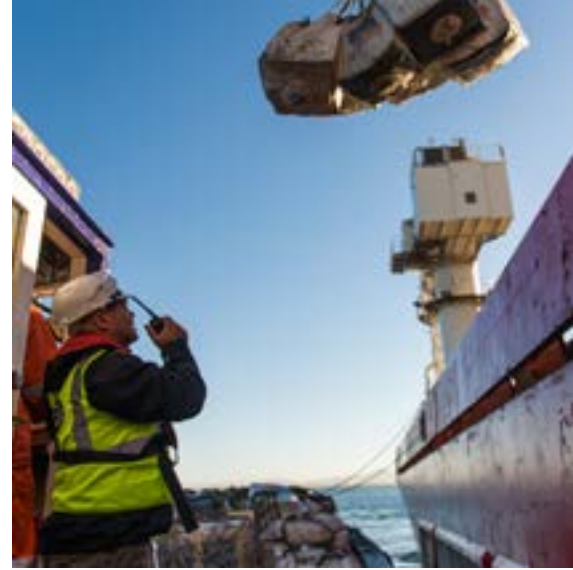

Compliance and ethics

Our commitment for ethical business is in line with the GAC Code of Ethics as well as the Group Anti-Corruption and Bribery, Whistleblowing, Sanctions and Quality policies.
